

St Luke's School

School website = www.stluke.sch.je Facebook = St Luke's School Jersey

Dear Parents and carers,

Can you believe we are the end of another term! Time definitely flies when you are having fun—but also when there is so much going on around school! I have been taking stock in recent weeks and reflecting on what is happening in every year group. It probably won't surprise you to know, that there is quality learning happening everywhere. Just walking through school and looking at the wonderful work on display, absolutely demonstrates this. I also spend a lot of time talking with the children and they are engaged with everything they are learning.

Dates & INSET reminder

INSET Day is Monday 15th April (School is closed for staff training) Children start back on Tuesday 16th April

Monday 6th May is a Bank Holiday, Thursday 9th May is Liberation day

Summer Half term is Monday 27th May-Friday 31st May

Transition Days are Thursday 4th & Friday 5th July

Term ends on Friday 19th July

All school term dates are on www.gov.je

No Nuts or Peanuts

Please can we remind everyone that we are a nut/peanut free school. We have several children and staff who are severely allergic and as such we ask that you don't place these items in your child's lunchbox. Thank you for your support and understanding with this.

Article 28: All children have the right to learn and go to school.

Article 29: All children have the right to become the best that they can be.

Lost Property

Each week we sort through our lost property at school and return to children any named items. Of late we have noticed that there are more and more items of uniform, some of it looking brand new, that has not been named and so we cannot return it. Please make sure all items of uniform are named - even if this is just with a biro on the label, it is better than nothing!

Looking after their own belongings is something the children are learning to take responsibility for, but it is really hard to do this when items are not named! If you have lost items that are not named...or even that you thought were named, please pop into the main corridor and take a look through the large collection of items on the racks.
