## Next week in Reception

### Maths:

We will be re-covering 'o clock' times. Children have been using the everyday language related time in their play e.g.) 'I will be there in a minute' and 'is it lunch time yet?' We will be taking this a step further and getting children to look at the hands on a clock and the numbers around the outside.

### Literacy:

Over the next two weeks in the run up to World Book Day we are reading lots of lovely new books and responding to the texts as a class. The children are really enjoying reading the new books, as am I! The books will be added to our school library at the end of next week.

### Home Learning Activities:

#### **Easter Bonnet Preparations!**

This is an ongoing homework task until Tuesday 2<sup>nd</sup> April. Reception and Year One children will be taking part in an Easter Bonnet Parade at St Luke's Church on the final day of the Spring Term. This is a home/school challenge- please support your child in making an Easter bonnet to bring into school by the 2<sup>nd</sup> April.

Children that are taking home a reading book should be reading their book for short periods each night, as well as sharing their library books. As always, please continue to practise the letter sounds, digraphs and number cards that are in the book bags.
