

Year 2 Weekly News

Friday 15th February 2019

After half term in Year 2...

Maths:

We will be beginning our new focus on **3D shapes**. We will be recognizing 3D shapes, describing 3D shapes and grouping 3D shapes.

English:

Spelling, Punctuation and Grammar: we will continue to look at up levelling sentences, focusing on word choice.
Handwriting: we will be looking at the le join.
Literacy: Our focus for our writing will be castles. We will be reading the story of Tumbleweed.

Home Learning Activities:

Homework is set on a Tuesday due in the Monday of the following week. This week's tasks are:

- **Spellings** - please can the children have a go at putting their spellings into sentences, this is to show that they understand what the word means. Spellings will be tested on Mondays.
- **Reading:** The children will be taking new reading books home once a week, please make sure they have their books in their bags every day. Please read with your child for 15 minutes each night.
- **Maths:** The maths homework this week is looking at 2D shapes, noticing their properties and looking at clues to decide the best shape.
- There are **home reader books** available for you to borrow from just inside the classroom, please help yourself and let me know if you have taken one.

Children's books cannot be changed if they do not bring their old book and reading diary in with them. This is to ensure that we keep full sets of books together at school.

Dates for the diary:

P.E days will be on **Tuesdays** and **Thursdays**. Please can children come to school wearing their P.E kit on these days? Thank you!

Waste Free Wednesdays

As a school, we have joined the 'Plastic Free Jersey' initiative and one of our pledges is to reduce the amount of plastic waste we generate by improving our lunchboxes. **We would like children and families to make efforts to bring in a waste free lunch every Wednesday.** Teachers, the eco team and lunchtime supervisors will monitor lunchboxes; we would like to see food, and much less single-use plastic packaging! We will be celebrating progress by giving praise to children with little or no 'waste' in their lunchboxes and a waste-free mascot is to be won each week for the class that have been the most waste-free. We also now have a plastic recycling point in our school for any recyclable plastic bottles.

Other news...

- We have had lots of cases of head lice in Year 2 over the past week. Please check your child's head regularly and treat if found. If you could let me know if you find them so that we can monitor the situation it would be greatly appreciated
- If you could complete the feedback for 'Keeping myself safe and well' it would be greatly appreciated. This was emailed out earlier this week.

Have a lovely and relaxing half term break!

As always, if you have any questions or concerns please pop in before/after school or email me: s.dunn@stluke.sch.je

Kind Regards, Sarah Dunn
