

# St Luke's School

School website = [www.stluke.sch.je](http://www.stluke.sch.je) Facebook = [St Luke's School Jersey](#)

Dear Parents,

In this final Newsletter of the Spring term it is amazing to reflect that on our return it will be exactly 1 year that myself, Mrs Hepworth and Miss Cauvain started! Time has definitely flown by - which shows how much fun it has been! It has been another incredibly successful term and the children never fail to impress and inspire me. We had our Comic Relief Talent Show this morning with such an abundance of skills, talents and gifts - from musicians, dancers, singers, magicians and even water bottle flippers!!!!

We have had a request from a variety of parents to remind everyone about our Healthy Snack policy - if everyone can be mindful and support us with this please.

We hope to see many of you at the Easter Service next week when we can officially wish you all a very happy Easter.

The end of term Easter Service takes place at **1.15pm** on the last day of term (Friday 31st March). All children will be taking part presenting what they have been learning about, singing some songs and reciting poems. We hope to see you all there for this fabulous celebration.

## Uniform / PE kit

We are noticing many children are coming into school in a wide variety of clothes that are not part of our school uniform or PE kit—some aren't even in the right colour!

Staff will be speaking to children & parents in their classes who aren't in the correct uniform.

When we return after the Easter Holiday we will be able to wear the summer uniform, so perhaps over the holiday you might want to check that you have all the correct items.

## Lunchtimes - New arrangements

Starting in next term we will altering our school lunchtime arrangements. This will mean that the children have a lot less sitting around once they have finished eating and are able to leave the hall quicker. It will also mean that less children are in the hall at the same time and our adult/child ratios are a lot higher.

As the eating session is slightly shorter than our current system anyone that doesn't finish in the allotted time will be able to finish off while the next group come in.

The new arrangements are as follows:

Reception remains the same.

11.40 - 12.20 Yr1 & Yr2 eat and then play

12.00 - 12.40 Yr3 & Yr4 eat and then play

12.20 - 1.00 Yr5 & Yr6 eat and then play

## Medication

If your child is requiring medication to be administered through the course of the day please make sure you have met with Ms Hamon and completed the permission form. All medication **must** be handed into the office at the start of the day.

Vitamins and other *holistic* medication should be given at home.

Thank you for your support with this.

**Congratulations:** Girls Footballers Grace & Lola played against Year 7 recently winning 2 games.  
Well done girls!

**Trusted status**

Our Yr6 have all recently been allocated a "Trust" badge that represents their role as the oldest, most responsible children in the school. With the trusted status comes the privilege to represent St Luke's school in sporting teams and club events, use of the soft surface area at playtime and lunchtimes, taking part in special visits/trips/concerts not linked to their curriculum or learning—eg Yr6 summer treat to AmazingMaze/visiting authors at the opera house/ etc. The trusted status will add to our current rewards/sanctions and, once established, move into Yr5 and then Upper Key Stage 2.

If Mr Turner or Mrs Hepworth feel there is a justifiable reason why a child should have theirs removed and privileges revoked then parents will be informed. Removal of "Trusted Status" and privileges will be for 1 week only.

More information on the trusted status will be coming home/available on our website soon.

**Movie Stars!**

A huge Thank You to Chantelle Mundy (daughter of Reception's Mrs Mundy) who created the brilliant video all about our Reception class — *visit our website to see it.* It is really great!

Thank you too to PBS Broadcast who Chantelle works for, who kindly provided Chantelle and the equipment free of charge!

**Smoking outside school gates**

Please can we politely ask that parents dropping, collecting or waiting outside our school not smoke. Although this is off school grounds it doesn't send the correct message to our children as they arrive or leave school.

Thank you for supporting us with this.

**School photographer**

We are interested in your opinion regarding the change of photographer and the standard of the children's photos. This year we have moved to a local company and would like to know what you think.

Please can you complete a 1 minute Survey Monkey.

Thanks

**After school clubs**

We will soon be sending out a list of clubs that will be on offer after Easter. Please speak to the teacher running the club to enquire about places and how to join.
