Dear Parents,

Can you believe next week is the final week of the school year?!? There are still a couple of things to do, a couple of classes have trips planned and of course our final community assembly and Church Service, so we aren't finished for the summer just yet!! We say goodbye to our Year 6 class as they leave us to join their new secondary schools. We wish them every success for the future. We'll miss you all. School finishes on **Thursday 18th July** (one day early to allow the building work to start). Can I take this opportunity, on behalf of all the children and staff at St Luke's to wish you all a happy and safe summer and we look forward to welcoming you back to school on **September 5th**.

## Transition days

The children (and staff) really enjoyed the recent transition days. This gave everyone a chance to get to know each other, talk about class rules and routines as well as the opportunity to dispel any worries or anxieties.

I also met with staff from the secondary schools recently who spoke very highly of our Yr6 class's attitude and behaviour when they were with their new classes.

## End of year Church service

We will all be gathering in St Luke's church for our end of term celebration On **Thursday 18th July**, 1.15pm. Each class has been preparing a "turn" to share with us all before we wish each other a happy, healthy, holiday.

We will then bring the children back to school with us to be dismissed (so that we are sure everyone is collected safely). We hope to see many of you there.

## Staffing update:

At the end of this term we say Goodbye and Thank you to Mr Oxenham and Mr Richardson. We wish them good luck in their new posts and thank them for all they have done for us.

In addition to our new staff starting with us in September we will also be welcoming Miss Emily Robins who will be teaching alongside Miss Dunn in Yr3. I know we will all make her feel very welcome.

Miss Robins will also be accompanying our Yr6 class on their French Trip.

### Well Done St Luke’s!

This year the children in every class have worked incredibly hard and pushed their learning to the limit. As a result our end of year outcomes are the best we have ever had! We can’t wait to keep building on this and get even better results again next year!

Percentage of children attaining “Secure” at the end of Yr6

Reading: 2016 = 0%    2019 = 77%

Writing: 2016 = 4%    2019 = 77%

Maths: 2016 = 7%    2019 = 69%

The children have also worked hard in developing their behaviour, manners and relationships resulting in every visit, trip or visitor to the school commenting positively, emailing compliments and praise for our children. Our most recent trip, Yr5 Beach Safety Day, our children were highlighted as being the most engaged, polite and well behaved class out of all other schools (States and Private).

**Article 28:** All children have the right to learn and go to school.

**Article 29:** All children have the right to become the best that they can be.

Wishing you all a happy, healthy summer break from all the staff!
