

# St Luke's School

School website = [www.stluke.sch.je](http://www.stluke.sch.je)

Facebook = [St Luke's School Jersey](https://www.facebook.com/StLukesSchoolJersey)

Dear Parents and carers, It goes without saying that these are very strange times! We hope that all our community are safe and well. Our teachers are working hard trying to check-in with everyone a couple of times a week—if you receive a missed call from school please don't panic, it will just be your child's teacher phoning to see how you are all doing! If they can't get hold of you they will try again later.

We look forward to seeing you all back with us soon when this is all over but until then please keep checking our Social media and website for the latest information and activities for your children.

## Staffing Update

With school closed and all our community self-isolating you may be wondering what the St Luke's staff have been up to.

We are currently working on a shift rota to enable children whose parents are "essential workers" (and have no other child care provision) to come to school. Staff are working on a week on, two week working at home rota.

Staff are also creating home learning activities, loading these onto our website, phoning the families and children in their classes as well as completing a large amount of online training of their own (completing courses on Autism, Safeguarding, First Aid, etc).

From 6th till the 17th April the children will be on "Easter Holidays" - as such there is no expectation that children are completing the home learning activities (unless you want them to!) Staff won't be phoning home during these 2 weeks.

As school will remain open for essential workers during the Easter Holidays staff will be taking their holiday entitlement on a staggered rota - during their break they will not be creating new activities or phoning home. The staggering of their holidays should, hopefully, not cause too much disturbance to the amount of home learning on offer to them (especially with the large amount of websites the children can access—see our News page on the school website).

## News from School

The amazing team from Building Renovations (the team who developed our EYFS Unit and new library) have been busy redesigning our Yr2 classroom.

They have been painting, decorating, plastering, adding new sinks, carpet and media wall.

We can't wait to show it off to you!

## Home Learning

Please keep checking the school website ([www.stluke.sch.je](http://www.stluke.sch.je)) for new activities and learning that teachers are loading up for your children.

You need to visit the class page and click **Home Learning** to see the latest additions.

Our News page also has the website addresses for free programmes and apps that you can use with your children too.

## Twitter & Facebook

A reminder that we have both a **Facebook** page: [@StLukesSchoolJersey](https://www.facebook.com/StLukesSchoolJersey)

and a **Twitter** page:

[@a\\_stluke](https://twitter.com/a_stluke) where we regularly provide information and latest news.

**STAY AT HOME** **PROTECT THE NHS** **save lives**

- Only go outside for food, health reasons or work (where this absolutely cannot be done from home)
- Stay 2 metres (6ft) away from other people
- Wash your hands as soon as you get home
