

# Baby Bear's Birthday Sharing Activity

Invite children to explore sharing and help Baby Bear share sandwiches between his party guests.

## You will need:

- Party Guest Posters
- Sandwich Cut-Outs

## Activity

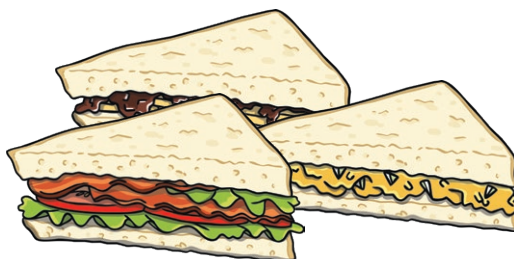

Explain that Baby Bear is having a party and needs to share some sandwiches fairly between his party guests. Children can explore sharing 20 sandwiches between different numbers of party guests.

Encourage children to explore sharing the Sandwich Cut-Outs on to the Party Guest Posters and see how many sandwiches each guest would get. Challenge them to share the sandwiches fairly and count how many each guest has.

## Baby Bear's Party Sharing Activity

Baby Bear is having a party!

He has 20 sandwiches to share fairly between his party guests.

Can you share the sandwiches fairly?

How many sandwiches does each guest get?
