

### Cold Weather!

As the temperature drops please can we ask that children come to school wearing their winter uniform and appropriate coats, hats, scarves and gloves. Thank you for your support with this.

### Twitter & Facebook

A reminder that we have a **Facebook** page:  
[@StLukesSchoolJersey](#)  
and a **Twitter** page:  
[@a\\_stluke](#)  
where we regularly provided updates and latest information.

### Medication in school

Please can we remind everyone about our Medication in School policy - full policy is available in the policies section on our school website ([www.stluke.sch.je](http://www.stluke.sch.je)).

Please note that requests for the administration of Calpol or Nurofen will only be considered for pain relief. If a child requires this type of medication for other reasons (e.g. to reduce a temperature) school will question if the child is well enough to be in school. Thank you for your understanding with this.

### THANK YOU!

On behalf of all the children we would like to say a HUGE thank you to the charity Every Child Our Future (ECOF).

Pre Covid ECOF have supported us by providing a large team of volunteers that listen to readers each week.

More recently they have generously donated enough money to fund a major investment in our children's IT equipment. Arriving soon will be 2 new laptop trolleys, 2 class sets of laptops and a new set of iPads.

We would also like to Thank Sammy Cooil, Deputy Head Boy at Victoria College who has been fundraising and has donated a new infrared digital thermometer.

Thank you both so much.
