Dear Parents and carers,

The children continue to manage the restriction in school so well, we are so proud of them. Thank you for supporting this temporary way of working; we are all looking forward to a phased return when the time comes.

Water Park for Coronation Park

(UNCRC Article 12: I have the right to be listened to and taken seriously)

The Government of Jersey wants to replace the paddling pool at Coronation (Millbrook) Park with a new water play area that is safe and fun and somewhere that children and their families/carers will want to go to again and again. During March they are asking adults for their ideas at www.gov.je/WaterPlay but really want to hear from children. A 'My Dream Water Play' worksheet is available at www.gov.je/WaterPlay for children (pre-schools and primary school age) to draw or write about what they would like to see in Coronation Park. We have printed one for every child to take home.

Dates & INSET reminder

Our last day of term is Monday 1st April and we return to school on Monday 19th April.

Please remember that Tuesday 4th May is a staff training day so the school is closed for children.

All school term dates are on www.gov.je

Parent Survey (Headline) Results

Thank you to all the parents that completed our 2021 Parent Survey. A full break down of all results will be published on our school website this month.

Main headlines from our 2021 Parent Survey are:

My child is happy at this school = 100% agree

My Child does well at this school = 100% agree

The school makes sure its pupils are well behaved - 1 person disagreed.

Comments relating to **children with additional needs** were 100% positive with several saying they were happy/very happy and a couple of very positive statements:

"We feel that the school has an excellent understanding of xxx's additional needs. "

"We are very happy with the additional support and care given by staff to xxx's needs. "

"The support we have received for xxx has been remarkable and cannot be faulted in anyway at all."

I would recommend this school to another parent = 100% agreed.

World Book Day

Thank you for supporting the children, it was a great opportunity for the school to celebrate books and a love of reading.

We raised £142 which we will spend updating our library books.
