

Voluntary Easter Holiday Home Project:
'Foundation Stones'

As part of the annual Holocaust Memorial Day is a project which has been set up to create hand painted stones to remember and inform about the Holocaust during World War Two and conflicts which have seen evidence of personal and group persecution including genocide.

'Foundation Stones' invite everyone to paint a commemorative stone to remember the six million Jewish men, women and children murdered in the Holocaust and all other victims of Nazi persecution. Taking inspiration from the Jewish custom of laying stones on graves, every stone painted will become part of the UK Holocaust Memorial in London when it is built.

The vision is thousands of stones coming together from every corner of the UK, each one a pledge to remember the past and build a future free from all forms of hatred. We are trying to get 1000 stones for the Memorial by the end of March 2021. This short film gives you a sense of the project: https://www.youtube.com/watch?v=Zs4NSNxUmqA&feature=emb_title

If you would like to take part, all you need to do is create a painted stone at home and bring it into school any time before 9th May 2021.

We will send them onto the Foundation Stones project on your behalf.

By registering their stone everyone will receive a digital certificate thanking them for their contribution to the Memorial. As a school that takes part we will be sent a certificate that we can display.

Thank you to Lydia and Charlie's mum for highlighting this great project - we look forward to seeing everyone's beautifully decorated stones after the Spring Break.

Reminder about the importance of good attendance

Every lesson counts!	100%	Excellent
Equates to 4 school days off each year.	98%	Impressive
Equates to 7 school days off each year.	96%	Good
Equates to 9 school days off each year.	95%	Nearly there
Equates to 11 school days off each year.	94%	Needs to improve
Equates to 1 month off school each year.	90%	DANGER ZONE!
Equates to 1.5 months off school each year.	85%	
Equates to 2 months off school each year.	80%	

Children have been continuing to use their Maths skills using Times Table Rock Stars. Teachers are blown away by the progress you are all making. Keep up the good work over the holidays!!
