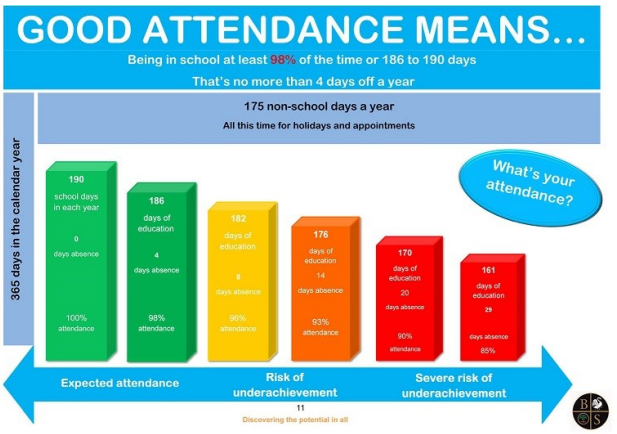
Dear Parents,

We now are in that strange time of year where we are completing the final elements of the curriculum while also planning and preparing our transition arrangements to ensure that all children are fully supported for the move to their new class. This year we have introduced even more opportunities for the children to get to know their new teachers. These include shared story sessions and art/craft sessions making personalised shields which will be displayed in their new classrooms ready for September. This process includes the 2 transition days when the Yr6 children go to their new secondary school and the children in Nursery to Yr5 have 2 days in their new year groups: **Thursday 30th June and Friday 1st July**.

Library Challenge

The Library reading challenge this year is called Gadgeteers and is aimed at all 3 —11 year olds.

The reading challenge starts on the 4th July (or any time after this date) and is free to enter. Children that take part receive a medal and certificate.



Sun Safe!

As part of our ongoing Sun Safe work we have returned the children Sunscreen dispenser to the top playground. We are reminding the children how to use the dispenser (without wasting the sun cream) and allowing the children and yourselves to access the free sun cream.

Teacher Placement: 2022/2023

Nursery: Miss Scott

Reception: Miss Martin

Yr1: Miss Katie

Yr2: Miss Loane

Yr3: Mrs Ireland

Yr4: Mr Sutherland

Yr5: Miss Round

Yr6: Miss Bateman

PTA Summer Fete

Reminder that the Summer Fete is on Friday 15th July.

We still need some helpers to volunteer to help us (so that we don't have to reduce the number of stalls/cancel!). If you can spare any time please sign-up: https://volunteersignup.org/99834 or let a PTA member know.

Thanks ☺
