

St Luke's School

Dear parents, Can you believe we are in October already (although the Weather seems to think it is still summer). An Indian Summer - interesting fact this was previously known as a St Luke Summer! *St Luke's Day = 18th October*

PTA /After school clubs

Unfortunately due to the ongoing dispute between teachers, school leaders and the States Employment Board (SEB) we are unable to host any after school events or clubs (this does not include Freedom After School club, which is a private organisation).

As soon as this is resolved we will be back to business as usual.

Thank you for your understanding with this,

No nuts, sweets or fizzy drink

Please can we remind everyone that sweets, chocolate, **nuts** and fizzy drinks are not permitted as snacks or in children's lunch boxes. If you would like your children to have these treats please can you wait until the end of the day, when you collect your children. Thank you for your continued support with this.

Class Council Elections

This month the children elect their new School Council. If your child is interested in becoming their class rep they will need to prepare a short speech to present to their class saying what they could bring to the role. Elections are at the end of the month.

New Lockers

We are sure that you are frustrated with the current coat peg situation as we are. We are hoping that the new school lockers for Yr2, Yr4 & Yr5 will arrive around the half term holiday.

Parent Consultations

Our Autumn Term parent consultations will be taking place after half term.

We are really pleased to be returning to in person meetings, hosted in school.

This year we are changing the age old format and placing the children in the driving seat. Prior to the meeting you will receive the report from the class teachers with a feedback sheet for you to be able to raise any questions or concerns. The after school Parent Consultation will be led by the children (supported by their teacher) to show you their books, things they are proud of and areas that they are going to be working on.
