

Welcome to St Luke's School.

Please sign in at the school office. Depending on the purpose of your visit you will be given one of three visitor badges:

Green badges indicate that you are DBS checked and able to work with individual/groups of children.

Red badges indicate that you aren't DBS checked. You are able to support the staff working with the children but won't be able to work alone with them.

ECOF badges are provided to this specific group of DBS checked volunteers.
