

St Luke's School

School website = www.stluke.sch.je

Facebook = [St Luke's School Jersey](https://www.facebook.com/StLukeSchoolJersey)

We hope that everyone is recovering well from the aftermath of storm Ciaran. Once again, the children's resilience and ability to bounce back has shone through.

It has been a busy return to school since half term and the learning I have seen taking place around the school, from Nursery to Year 6, has been of really high quality. It is clear the staff and pupils are all working very hard! Well done to all of them.

Article 28: All children have the right to learn and go to school.

Article 29: All children have the right to become the best that they can be.

Children In Need

Thank you to everyone who donated to our dress-down/wear spots day. As a school we were able to collect an amazing £202.80

It was especially exciting this year when we were actually visited by Pudsey!

School Improvement Plan 2023/24

We have three targets that we are focusing on for our school improvement this year:

1. Percentage of children achieving "Secure" in reading, writing & maths to continue to be above UK National Averages & as one of the highest achieving schools on island.
2. Oracy (2nd year)
3. Inclusion: SEN, MLL & JPP

Keeping Safe Online at Home

We are aware that children in both Key stage One and Key Stage Two are accessing computer games and watching films/ TV shows that are not age appropriate. Please ensure that you carefully monitor what your child is accessing and watching, otherwise you are exposing them to content that is highly unsuitable and can sometimes result in inappropriate behaviour, language and emotional harm.

It is your responsibility to ensure that appropriate settings and controls are in place.

Thank you.

Please remember....

Bring a coat! We will be going out to play in ALL weathers!

NAME your uniform—we have 200 pupils and cannot return lost uniform if it doesn't have a name!

Mind Jersey support Services

Please find following and attached some information received from Mind Jersey:

Mind Jersey is offering a supported drop-in for Mum's with young children and expectant mums. At Mind we understand that being a parent can be challenging, if you are feeling low or feel that you are struggling right now, our Mums Meet groups have been designed to offer a safe a non judgemental space to meet and learn from other mums, ask questions and connect with like minded mums who get it! You can find out more and keep up to date by following:

<https://www.facebook.com/mumsmeetwithmindjersey>

Mind support page :

[Mind Jersey Parent Support Group | Facebook](#)

which has been designed to support parents whose children may be experiencing difficulties with their mental health.

We would like to use this group to look at how we can support parents further, as we know that when a parent is supported it is more likely that their child will be too.

Our closed Facebook community offers parents a safe, non-judgmental space to explore their feelings about their child's mental health, ask questions and learn from parents who are also experiencing difficulties with their child's mental health and connect with likeminded parents who get it!

Christmas Party (7th December)

On Thursday 7th December we will be having our Christmas Party Day.

Children can wear party clothes and we will be playing party games/watching Christmas movies and getting very festive!

Flourish (Hot School Lunches) will be cooking a Christmas lunch. If you would like your child to receive this you need to ensure you are registered and have booked the lunch by the end of this month. For those that do not wish to have hot lunch children can bring in a packed party lunch from home.

There is a small chance that St Luke's may be selected to be reviewed under the Jersey Review Framework on the 5th, 6th & 7th (We won't know until the week before!). Should this occur we will continue with the party lunch on the 7th but move the party activities to Friday 8th. If we "get the call" we will let email all families to let you know.

No nuts, please!

Please can we remind everyone that St Luke's is a peanut and nut free school. We have several children with allergies so please don't put any in lunchboxes. Thank you for your support with this.
