Autumn Parent Consultations

We have added in replacement dates for the 2 missed Autumn "Child-led" consultations. Appointments made for November have been transferred to the new dates. You will have received an email reminder of the time. If there are any problems or you would like to book an appointment please contact school.

Please make sure you bring your child with you as they will be leading the meeting! ☺

Cold Weather!

As the temperature continues to drop please can we ask that next term all children come to school wearing their winter uniform and appropriate coats, hats, scarves and gloves.

We will be going outside throughout the day and it is important that the children are comfortable to enjoy this experience rather than shivering/shaking.
