3 responses did not agree with this statement.

Potentially due to school not being able to offer enrichment clubs last term (due to the industrial action). Hopefully with the re-introduction of clubs (currently on offer are Art&Craft, Cookery, Recorder, Ukelele, Choir, Drama, Football, Singing & academic booster groups) combined with Friends of St Luke fundraising events we will return to the 100% agreement from last year.

99% of families would recommend St Luke's School to another parent.
