Dear Parents,

With the recent Bank Holiday and Liberation Day (plus some sunny weather!) it has made this half term fly by! As I write this our Yr6 are commencing with their end of Primary assessments, we have our Sponsored walks (Yr1—Yr6—EYFS have already had theirs!) and on Friday after school is our KS1 entertainment fundraiser! Our Assembly this week is all about Sun Safety (we are being hopeful that the weather remains hot and sunny!!!) - if things do continue to improve please remember to bring in sun hats and sun cream, especially for the last half term of the school year.

Lost Property

Each week we sort through our lost property at school and return to children any named items. Of late we have noticed that there are more and more items of uniform, some of it looking brand new, that has not been named and so we cannot return it. Please make sure all items of uniform are named, even if this is just with a biro on the label, it is better than nothing! Looking after their own belongings is something the children should learn to take responsibility for, but it is really hard to do this when items are not named! If you have lost items that are not named...or even that you thought were named, please pop into the main corridor by and take a look through the large collection of items on the racks.

New Sports Equipment

Our new outdoor Gym equipment has been installed and is ready to use. This has been purchased as part of last years "Jersey Sport Grants" (however it has taken a year to get it installed).

We will be working with the children to establish some rules around how we can use the equipment safely and fairly, to enable everyone to have a turn.

Thank you to the fundraising of the PTA who are partly funding the instillation of this equipment.

Bike Rack to be moved

When we return from the half term holiday we will be commencing with the replacement of the front entrance wooden fencing, which has wood has become rotten.

The new fence will be in a different layout (allowing us to expand the car park to fit a couple more spaces). As such the Bike Rack will be moving to the alcove opposite the mini-bus, under the Year 3 windows.

Staffing update

After half term we say a temporary goodbye and best wishes to Miss Scott who begins her parental leave on the 10th June. She will be replaced by Miss Katie for the remainder of the summer term.

Mr McCann will be leaving us at the end of the summer to move to Abu Dhabi—we wish him lots of luck on this exciting next adventure.
