Dear Parents,

Can you believe we are in the final week of the school year!?!? We say goodbye to our Year 6 class as they leave us to join their new secondary schools as well as a couple of families who are leaving for pastures new (either on or off island). We wish you all well in your new adventures! The last day of term is **Friday 19th July** at our normal finish time. Can I take this opportunity, on behalf of all the children and staff at St Luke's to wish you all a happy and safe summer and we look forward to welcoming you back to school on **Wednesday 4th September**.

Goodbyes

At the end of this term we say Goodbye and Thank you to several staff...

Mrs Dzwonek is leaving us for pastures new. She has been a member of the St Luke's staff since 2017 starting first as a teaching assistant and then taking up the role as our cover teacher in the last few years. We wish her lots of luck in her new role and sincere thanks for everything she has done.

Mr Dias is also embarking on new adventures and leaving us at the end of this term. Miss Lillie Godden will be transferring to us from St Martin's school, taking on the role as Yr3 teacher from September and has been into school to meet the children this week.

Congratulations

- Miss Loane has successfully graduated her 2nd year ECT (Early Career Teacher) and has consistently received very positive feedback from all internal and external assessors.
- From September Miss Round will be using her married name and be known as Mrs Walton. She will continue to work alongside Ms Walden and on occasion be joined by Mrs Wilton. 😊
- At the end of June Miss Scott and her partner welcomed their son, Soli, into the world. We look forward to getting to meet him soon.

Transition Days

We have had two fantastic transition days in school at the start of this month. The children spent time with their new teachers and have taken part in a range of activities to get ready for September.

The feedback from staff has been excellent and the children have made a really good first impression. We look forward to building on these relationships after the summer break.

School Improvement Plan 2024-2025

1. Maximising subject leadership across the curriculum.
2. Further embed high quality teaching consistently as good as the best already achieved.
3. Inclusion: school to achieve accredited inclusion status.

Lost Property

Please remind your children to check Lost Property before the end of the school year—any remaining items will be disposed of during the Summer holidays!

Wishing you all a happy, healthy summer break from all the staff!
