This term we will be having our Autumn Parent Consultations. As we have done previously, these meetings will be led by the children and supported by the teachers. The children will be showing you their work and talking about their learning.

Should you wish to meet about any concerns or worries please don't wait till the consultations. We have an open door policy and class teachers are happy to meet with you before or after school to discuss anything that is of concern to you.

A reminder that we ask that any concerns are raised with the children's class teacher in the first instance. If you would like to talk to someone else, then the Key Stage Leader would be your next port of call:

Key Stage 1 Leader (Nursery, Rec, Yr1 & Yr2)

Miss Lucy Scott l.scott@stluke.sch.je

Assistant Headteacher/Key Stage 2 Leader (Yr3, Yr4, Yr5 & Yr6)

Mrs Walton c.walton@stluke.sch.je

If you still don't feel your concern has been answered, then it would be best to next speak to Mrs Hepworth or to myself directly.

Children In Need

14th November

This year our school Rights Respecting Council have organised a "break the rules" day, with it costing 50p per rule broken. Information has already been sent home and we hope to raise lots of money for this great cause.

Hair tied back (Nits)

We have had a few reports of nits at school last half term. Please check your child's hair regularly.

Using a fine toothed comb and conditioner is the easiest way to do this.

To avoid transmission we advise that any child with long hair (girls or boys) have it tied up.

No nuts, please!

Please can we remind everyone that St Luke's is a peanut and nut free school. We have several children with allergies so **please don't put any in lunchboxes**. Thank you for your support with this.

Please remember....

Bring a coat! We will be going out to play in ALL weathers!

NAME your uniform—we have 200 pupils and cannot return lost uniform if it doesn't have a name!

Keeping Safe Online at Home

We are aware that children in both Key stage One and Key Stage Two are accessing computer games and watching films/TV shows that are not age appropriate. Please ensure that you carefully monitor what your child is accessing and watching, otherwise you are exposing them to content that is highly unsuitable and can sometimes result in inappropriate behaviour, language and emotional harm.

It is your responsibility to ensure that appropriate settings and controls are in place.

Thank you.
