

St Luke's School

Dear Parents and Families,

This term we have been sharing our Autumn Term Reports and hosting our Autumn Parent Consultations.

We would really value your feedback on how we keep you informed about your child's learning and progress. Please take a few minutes to complete our short parent survey, sharing your views on what works well and how we could improve our communication with you. Your feedback will help us shape how we share information about children's learning in the future.

Hair tied back (Nits)

We have had a few reports of nits at school last half term. Please check your child's hair regularly - Using a fine toothed comb and conditioner is the easiest way to do this.

To avoid transmission we advise that any child with long hair (girls or boys) have it tied up. Children that forget to put their hair up will be offered a hair band from the school office.

Keeping Safe Online at Home

We are aware that children in both Key stage One and Key Stage Two are accessing computer games and watching films/ TV shows that are not age appropriate. Please ensure that you carefully monitor what your child is accessing and watching, otherwise you are exposing them to content that is highly unsuitable and can sometimes result in inappropriate behaviour, language and emotional harm.

It is your responsibility to ensure that appropriate settings and controls are in place.

Thank you.

Children In Need

Thank you so much for all your support with Children In Need this year. We are very grateful to BBC Radio Jersey for organising a special visit from Pudsey as well as providing all the children with a very special Pudsey medal for taking part in our fundraising and running "Bleep Test".

Please remember....

Bring a coat! We will be going out to play in ALL weathers!

NAME your uniform—we have **200** pupils and cannot return lost uniform if it doesn't have a name!
