

# Year 2 Weekly News

Friday 8<sup>th</sup> November 2019

## Next week in Year 2...

### Maths:

Next week we will be recapping different methods of subtraction that we started last half term.

### English:

We will be completing some reading activities to improve the children's comprehension skills.

### Home Learning Activities:

Homework is set on a Wednesday and due in the Tuesday of the following week. This week's tasks are:

- **Spellings** - please can all children practise their spellings. These have been stuck into their orange homework books. Spellings will be tested on **Tuesday**.

- **Reading:** the children are asked to change their reading books from the home reader boxes in the classroom as they arrive every morning. We will continue to remind them to do this.

Please read with your child for 15 minutes each night. We value the comments you are in the reading diaries each evening - thank you for your continued support with this!

- **Maths:** children are to complete the column addition worksheet in their homework books.
